Living Mission Statement

To gather the women of Essex
County together to:

- *Jesus IS Here*: To teach the Truth in a way that leads women to desire the Truth!
(Matthew 28:19-20)
- *Yeshua Shammah*: To act out the Truth with all women in a way that makes their heart burn for Jesus! (Hebrews 10:24)
- To abide in Luke 4:18-19

The Spirit of the LORD *is* upon Me,
Because He has anointed Me
To preach the gospel to *the* poor;
He has sent Me to heal the brokenhearted,
To proclaim liberty to *the* captives
And recovery of sight to *the* blind,
To set at liberty those who are oppressed;
To proclaim the acceptable year of the LORD.

Oppression of women is to be abolished! This will not continue to happen in my
Town, in my Province, in my Country! Not as long as I have breath in me from Jesus!

The Life Skills Strategist

If you love the Bible you will love this study. Kathleen will show you how God designed the Bible to show us how to keep joy in our life and in Jesus!

Relax and enjoy the trip through the Bible!

Rejoicing my heart has nothing to do with me being happy. Rejoicing my heart has everything to do with Jesus! No matter what is going on in our lives we can have joy, live in joy and long for joy! Jesus will rejoice our heart when we ask Him too.

Today we wear our grief and sorrow like a badge to get sympathy or accolades for living such a down trodden life BUT there is always a one upper in the room who has had a worse life than us and we don't get what we are looking for. We work hard! We grieve hard! We cry hard! We dream of being filled with joy! We could spend our lives looking for sympathy but why when we have Jesus! If we are looking to have people around us then we can catch more bees with honey than with mustard!

To have a joyful relationship with Jesus and with people we must give ourselves over to Jesus, love His Word and live His Word. The cycle will start all over and our joy will become entrenched so deep into our spirit that we will have joy even when we are in the valley. With this joy we can live out Philippians 2:3-4
We learned last month that our faith should be in the power of God and His power is how we can obtain joy during any storm, joy during emotional hardship, joy during any difficult event in our lives.

Rejoice my Heart for I am Yours

Do you know that Jesus has purchased you to by His blood from every tribe and tongue and nation? This information should bring us great joy! God has a plan and we are part of it. When we concentrate on being created for a purpose that only God knows we take our minds off of ourselves. We are but a dot in the whole scheme of things but an indispensable dot that God cannot do without!

Who else is His? Psalm 24:1 and 1 Corinthians 10:26 What does this teach us?

Sell it all - Matthew 13:44 What does this parable of the Kingdom of Heaven say to us?

The Good Steward - Matthew 25:21 How do we enter into His joy.

How do we keep this joy knowing this information?

Can this or is this enough to sustain our Joy? No! So the question is – how do we do that?

Rejoice my Heart for I love Your Statues

The most difficult thing for a Christian to do is have joy in His statutes. They hurt, they sting, they smart and they deter me from being who I want to be. We often do not look at them building us into a Spritual Powerhouse (1 Peter 2:5) or giving us armour (Eph 6:11) or equipping us with strength (Psalm 18:32). We see the healing written in the Word but we don't see how we can be healed. Loving God's statutes does this and more.

Take Them – Jeremiah 15:16 Why should we take and eat His Words?

The Truth - Psalm 19:8a! Write it down. Why do we need to know this? (Romans 15:13)

Satan Falls – Luke 10:17-20 We have authority but what is better?

Is loving His statutes enough to keep our hearts rejoicing? 1 John 2:4

Rejoice my Heart for I live Your Statues

We are Jesus' and we love His Word but that is just not enough. He gave us the great commission so that we would tell everyone about the Gospel. Our heart will never be filled with the joy of the Lord until we begin to live the statues that we love so much.

The Start - Psalm 86:1-5 How do we start living His statutes?

The Power - John 15:11, 1 John 1:4 – How do we sustain His statutes?

The End - Acts 20:24 How can we finish?

Today let us take off the badge of sympathy and put on the joy of Jesus! Let us find the one upper who has had a fantastic experience so that we can bring joy into the room rather than sorrow! We shall choose to live our lives filled with joy because we truly understand that joy is a gift from God that we can have and bless others with!

Let us not waste the time we are given muddying up the name of Jesus! Grab that gift of joy and re-present Jesus to all of your family and friends. Let us have a joyful relationship with Jesus and with people by give ourselves fully over to Jesus, falling in love with His Word and living a life that reflects His Word.

Action Plan

Find verses outside of the ones we discussed today that are filled with joy. They do not have to have the word joy in them but bring you joy; for instance, the story of the Philistines god Dagon humiliated by God using the Arc of the Covenant (1 Samuel 5). God wants us to be filled with joy! Offer Him this offering in these two months. Our Monday Message will also challenge you to be filled with joy. Journal about how your life has changed since you started searching for joy in Jesus!
